

ERDAS ER Mapper 7.2

System Specifications

Computer/Processor	IBM-compatible PCs running with Dual core 2GHz or higher x86 CPUs
Memory	2 GB recommended (512 MB minimum)
Disk Space	1.2 GB for typical software installation on a single disk partition. An additional 180 MB is required for swap space and an additional 100 MB for temporary files. Additional disk space will be required depending on the storage used for saving datasets.
Graphics Display	256MB or higher video card (minimum 64MB)
Software	Adobe Acrobat Reader 5.0 or higher (for digital documentation) Internet Explorer 6 or higher
Operating System	Windows XP Professional SP2 or higher Windows XP Professional x64 Edition SP1 or higher
Peripherals	DVD Drive required for software installation Microsoft Windows supported hardcopy device recommended for printing
High Performance Recommendation	<p>Considerable time and money can be saved by using the optimum setup for high performance compression projects:</p> <p>Windows XP x64 Edition</p> <p>SATA2 drive(s). If using RAID, preferably use a SAS RAID card (Areca etc)</p> <p>CPUs: Best available, 2-4 cores sufficient for ERDAS ER Mapper 7.2 but the fastest clock/newest parts are more useful than additional cores (e.g. QX9650 much better than dual Xeons for 7.2 compression)</p> <p>RAM: Fastest RAM matching CPU BUS speed (e.g., dual-channel DDR2-800 for 1600FSB), with lowest latency affordable. 8+GB</p> <p>Please see the ERDAS white paper on best practice for high performance compression projects</p>

About ERDAS

ERDAS – The Earth to Business Company – helps organizations harness the information of the changing earth for greater advantage.

ERDAS creates geospatial business systems that transform our earth's data into business information, enabling individuals, businesses and public agencies to quickly access, manage, process and share that information from anywhere.

Using secure geospatial information, ERDAS solutions improve employee, customer and partner visibility to information, enabling them to respond faster and collaborate better. It also means better decision-making, increased productivity and new revenue streams.

ERDAS is a part of the Hexagon Group, Sweden. For more information about ERDAS or its products and services, please call +1 770 776 3400, toll free +1 866 534 2286, or visit www.erdas.com.
